- Remote Control: Multi-RC Compatible, Studio/ES/MS/Sig compatible, Glow-in-the-Dark buttons, RC Battery Door Lock, Cable Strap Ready, Low Battery Detection

Highlights

Large, color-coded

This remote control's simple design strips away all but the most essential buttons and functions. The large volume and channel buttons are color-coded and glow-in-the-dark: for easy operation in any light.

Lockable battery compartment.

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.
